PRICELIST 2010

Finke instruments are made entirely by hand in the Finke workshop in Vlotho/Exter, Germany. Various options are available. For the french horns instruments and accessories see our supplementing pricelist.

The order

Nothing can replace a personal advice. Please contact us by e-mail or phone and we will configure with you an instrument that matches your needs and imagination. If you live outside of Germany maybe one of our representatives can also help you. See the list of our representatives from our homepage ([www.finkehorns.de](http://www.finkehorns.de))

### Supply and terms of payment

1. The prices are in US Dollar as shown and valid since 01.01.2010. The prices do not include shipping and insurance which is the responsibility of the customer.
2. Shipping damages must be reported within 24 hours after receipt to the responsible shipping company. This is also necessary when the package does not exhibit external damage.
3. Payments are due 30 days after date on our invoice. We offer a 2 % discount on invoices paid within 8 days. Invoice amounts under 50 US Dollar and invoices for repair and special offers are due upon receipt.
4. The vested title for all products is retained by Finke until they are paid in full. Until Finke receives the full payment, the customer may not sell, pawn, rent or lend the product or products in his possession. The customer is responsible for all damage caused by the customer and not deemed to be manufacturing defects.
5. Consignments for inspection (products delivered for trial) are noncommittal and happen when desired according to previous agreement. The return must take place at the latest after 10 days. All shipping costs are the responsibility of the customer. The customer is responsible for the normal treatment of the consignment for inspection, as well as for all damages including damages during the return of the product or products.
6. Repairs to all metal and woodwind instruments are performed by Finke. For repairs no fixed prices can be indicated of the instruments which are to be overhauled or repaired without inspection by Finke. When desired a cost estimate for the repair is provided to the customer.
7. Finke warrants instruments manufactured by Finke for 2 years from the date of the invoice. Each instrument is submitted to an exact examination during the manufacturing process, nevertheless if objections should result, then these are to be communicated to us within 7 days after receipt of the instrument. Wear of the mobile parts, dents and the lacquer finish are excluded from this warranty.
